

All,

There were a total of 76 visitors to Saturday's open day. A number of comments were received via post-it notes which are summarised below.

1. General comments

- Reduce speed limit in Fleet Road to 30mph
- Traffic calming rather than over-stretched police involvement
- Promote Community bus much better and more proactively
- Police detector van at Golf course and of HW A30
- Prohibit the practice of U turns in the High Street
- Reduce speed limit from 50 to 30 on Fleet Road at Rifle Range development
- Improve lighting layout of junction A30 to Refuse Tip - currently very dangerous
- St. Mary's Park - 2nd vehicle entrance/exit required

2. Specific comments on Objectives

- Under A (Providing Homes) - affordable housing should be more specific
- Under B (Environment and character point 7) - recognise existing SSSIs and SINCs
- Under D (Sustainability point 1) - include relax planning constraints for solar installations in

Conservation area

- Under E (Local economy and employment point 1) - Agree! - include facilitate access and parking for businesses.
